

THE CRANAGE TRAIL

FOR UP TO 100 GUESTS IN 10 TEAMS,
AT CRANAGE HALL, CHESHIRE

We understand that team building is essential to help you develop your business and also that your colleagues understand the strengths of the people they work with on a day to day basis. The trail is designed to tackle some of the issues in the workplace such as time management, delegation, working as a unit and making the most of their colleagues individual strengths to gain the best from all members of the team.

This action packed journey into the unknown requires observation, concentration and communication as teams attempt to bring back answers to a frustratingly fiendish set of cunning clues.

The key to the success of our trail is that it is presented in a relaxed environment with a competitive slant.

Each team is expected to complete the trail within a set time however it is not intended as a race, more a hunt for the unexpected.

The trail provides an opportunity for the teams to bond and is designed to be challenging, competitive and most of all fun! The answers are out there.

The teams will be required to:

- Acquire a range of items from a shopping list
- Solve a range of cryptic clues at different locations
- Once at the locations additional conundrum questions will have to be answered

The finale will be either:

- School sports day (Outdoors) - teams participating in a light hearted recreation of those bygone carefree days of school life
- Fashion show (Indoors) - designing an outfit including accessories from a box of goodies to present on a catwalk show

All participants will be presented with a certificate and the winning team will receive a bottle of bubbly, however alternative prizes can be arranged following your instruction.
